## TEXAS HIGH SCHOOL LACROSSE LEAGUE

WWW.THSLLO.ORG

Players, Coaches, Administrators, Officials, Parents, and Fans,

Welcome to the 27<sup>th</sup> Texas High School Lacrosse League Boys' Championships at Round Rock, Texas. Our hosts, the Round Rock Lacrosse Program have worked very hard planning and preparing for a weekend showcasing the best lacrosse in Texas. Enjoy the food, the fun, and join in celebrating the achievements and hard work all these teams have put in to make it here.

To make it to this point each program has worked very hard and demonstrated the dedication and commitment to excellence required to compete at the highest level. Some programs have been here many times and others are new to this event but all have worked and sacrificed to make it. This is a special event for the various programs and we ask that everyone join in celebrating the accomplishments of all the teams involved and positively support your team and demonstrate good sportsmanship - win or lose. We cannot control the outcome of the games but we can control how we act and the impression we make on others so join in setting the right example for the young men on the field and youth in the stands.

THSLL strives to create a framework supporting the rapid growth of lacrosse in Texas. Our goal is to have an environment that encourages development of young men through positive experiences with teamwork, fair play, and sportsmanship.

The League has nearly 4,000 players representing nearly 90 programs from across the state. Each program has a dedicated group of parents, school administrators, and supporters that are a big part of this growth so we thank all that work behind the scenes to support your respective program.

Please join the THSLL Board in congratulating all the teams across the state for a great 2015 season. It is a privilege to recognize the teams that are here this weekend and the other honorees that will be announced on Sunday.

Enjoy a great weekend of lacrosse and thank you for attending the State Championships.

Al Picazo  
Commissioner, THSLL

# CONGRATULATIONS

Participation in athletics plays a critical role in the academic and life successes for millions of students across this country, state, and most certainly in Round Rock ISD. Thank you for your support and attendance here at Texas Lacrosse State Championships.

For the visitors to our district, welcome to Round Rock ISD. We take great pride in our students and schools, and we hope you enjoy the tournament.

Student athletes spend time honing their crafts and developing their passion for sports while balancing the responsibilities of school and engaging their passions in the classroom. Their talent and commitment is certainly to be commended. However, student athletics is not accomplished solely by the student: it takes a partnership between an entire family and a team of educators serving as coaches and mentors to achieve a common goal of bettering the life of the student. Thank you for partnering with your student or team.

Respectfully,  
Steve Flores, Ph.D.  
Superintendent of Schools

Texas State Lacrosse Championship Attendees:

On behalf of the Round Rock City Council, Executive Staff, and citizens, I would like to welcome you! As the Sports Capital of Texas, we are excited to have you competing in Round Rock. I trust that you and your families will have an amazing experience.

I know first-hand the amount of work required to be successful. But, while you're here, don't forget to have fun and enjoy the moment!

We wish the athletes the best of luck and congratulate you on being a part of this championship. You are making your mark and should be proud!

Sincerely,

Alan McGraw  
Mayor

## **Texas High School Lacrosse League**

### **History**

The Texas High School Lacrosse League (THSLL) (the "League"), though not named at the time, started with three high schools in Houston, Texas in 1987: Kinkaid, Memorial, and St. John's. The teams were started by three energetic student athletes from each school, all friends.

The first champion, St. John's, was crowned in 1988 in an unofficial tournament. Since that time, the sport of lacrosse in Texas has grown exponentially, fueled by other energetic young student athletes, coaches, administrators, and fans. The first official THSLL State Champion was Lamar, crowned by Randy Bryan the THSLL Commissioner, in 1989, after a hard fought victory over St. John's.

### **Overview**

THSLL has 89 Member School Programs with 160 Varsity and JV Teams and over 4000 high school student athletes across the State of Texas. The Texas Scholastic Lacrosse Association, Inc. (TSLA) is the governing body for the THSLL. The THSLL is the membership association for boys' lacrosse (THSLL Member School Programs) at the high school level in Texas, defined as grades nine through twelve.

### **Guiding Principles**

1. Creating a structured environment in which student athletes, coaches, administrators, and parents benefit from membership in an organization that facilitates the growth and rewards of playing lacrosse.
2. Promoting and protecting the health of participating student athletes by establishing uniform rules of play and cultivating the ideals of good sportsmanship, loyalty, and fair play.
3. Working in harmony with the interscholastic governing bodies of THSLL Member School Programs, and other concerned Texas constituencies.
4. Establishing and maintaining a process for continuous improvement of the League, by working with THSLL Member School Programs, and other concerned Texas constituencies.
5. Building school based boy's lacrosse Teams in Texas (all players on a Team attend the same source high school, ideally lacrosse is recognized as a school sport by the athletic director, and if a public high school recognized as a school sport by the independent school district.)

### **Member Teams**

Member Teams consist of Varsity and Junior Varsity Teams, and the League is divided into Districts and Divisions.

Division I	Division II	Division III
North	North	North
Central	Central	Central
South	San Antonio	San Antonio
	South	South

Division I is made up of Member School Programs that are more established lacrosse programs. DI teams have bylaws, procedures, a designated head coach and president, reasonable relations with their host school and/or city / community, and a JV and Varsity high school Teams which play a full back to back JV and Varsity schedule.

Division II is targeted at development of lacrosse programs. Division II Member School Programs generally have bylaws, procedures, a designated head coach and president, reasonable relations with their host school and/or city / community, and at least JV and Varsity high school Teams.

Division III is made up of new or relatively new lacrosse Teams, still working towards critical mass of players, coaches, funding, fields, administrative support and school / city / community support.
