

The poster features a blue-toned background image of a lacrosse game. In the foreground, two players are in silhouette: one on the left is positioned in front of a lacrosse goal, and another on the right is running towards the goal. The goal's white netting is prominent. Overlaid on the image are several graphics: a large, stylized white star with a blue outline in the upper right; a Texas state map with a white star in the center, flanked by two crossed lacrosse sticks, in the middle; and a large, bold title in the upper center. The title consists of '2017 THSLL' in a small, red, sans-serif font, followed by 'STATE' and 'CHAMPIONSHIPS' in a large, blue, italicized serif font with a red outline. Three horizontal red lines are positioned above the 'STATE' portion of the title.

Katy, Texas

Welcome To The Championship

Players, Coaches, Administrators, Officials, Parents, and Fans,

Welcome to the 29th Texas High School Lacrosse League Boys' Championship hosted in Katy, Texas.

Our hosts, the Seven Lakes Lacrosse Program have worked very hard planning and preparing for a weekend showcasing the best lacrosse in Texas. Enjoy the food, the fun, and join in celebrating the achievements and hard work all these teams have put in to make it here.

To make it to this point each program has worked very hard and demonstrated the dedication and commitment to excellence required to compete at the highest level. Some programs have been here many times and others are new to this event but all have worked and sacrificed to make it. This is a special event for the various programs and we ask that everyone join in celebrating the accomplishments of all the teams involved and positively support your team and demonstrate good sportsmanship - win or lose. We cannot control the outcome of the games but we can control how we act and the impression we make on others so join in setting the right example for the young men on the field and youth in the stands.

THSLL strives to create a framework supporting the rapid growth of lacrosse in Texas. Our goal is to have an environment that encourages development of the young men through positive experiences with teamwork, fair play, and sportsmanship.

The league has nearly 4,000 players representing 165 teams from 93 programs across the state. Each program has a dedicated group of parents, school administrators, and supporters that are a big part of this growth, so we thank you all that work behind the scenes to support your programs.

Please join the THSLL Board in congratulating all the teams across the state for a great 2017 season. It is a privilege to recognize the teams that are here this weekend and the other honorees that will be announced on Sunday.

Enjoy a great weekend of lacrosse and thank you for attending the State Championships!

Al Picazo,
Commission, THSLL

About THSLL

History

The Texas High School Lacrosse League (THSLL) (the "League"), though not named at the time, started with three high schools in Houston, Texas in 1987: Kinkaid, Memorial, and St. John's. The teams were started by three energetic student athletes from each school, all friends.

The first champion, St. John's, was crowned in 1988 an unofficial tournament. Since that time, the sport of lacrosse in Texas has grown exponentially, fueled by other energetic young student athletes, coaches, administrators, and fans. The first official THSLL State Champion was Lamar, crowned by Randy Bryan the THSLL Commissioner, in 1989. after a hard fought victory over St. John's.

Overview

THSLL has 89 Member School Programs with 165 Varsity and JV Teams and over 4000 high school student athletes across the State of Texas. The Texas Scholastic Lacrosse Association, Inc. (TSLA) is the governing body for the THSLL. The THSLL is the membership association for boys' lacrosse (THSLL Member School Programs) at the high school level in Texas, defined as grades nine through twelve.

Guiding Principles

Creating a structured environment in which student athletes, coaches, administrators, and parents benefit from membership in an organization that facilitates the growth and rewards of playing lacrosse.

Promoting and protecting the health of participating student athletes by establishing uniform rules of play and cultivating the ideals of good sportsmanship, loyalty, and fair play.

Working in harmony with the interscholastic governing bodies of THSLL Member School Programs, and other concerned Texas constituencies.

Establishing and maintaining a process for continuous improvement of the League, by working with THSLL Member School Programs, and other concerned Texas constituencies.

Building school based boy's lacrosse Teams in Texas (all players on a Team attend the same source high school, ideally lacrosse is recognized as a school sport by the athletic director, and if a public high school recognized as a school sport by the independent school district.)
