

MAY 7-8, 2022

THSLL

STATE CHAMPIONSHIP

CLASS AA, A, B, C AND D

Players, Coaches, Parents, Officials and Fans,

On the behalf of my fellow THSLL Board members, I would like to welcome you to the 33rd Texas High School Lacrosse Championship at Dripping Springs H.S. in Dripping Springs, Texas.

As you can imagine, this event takes an enormous amount of preparation and effort to execute. The Dripping Springs Lacrosse program has worked very hard as our host for this final weekend of games of the best boy's high school lacrosse teams the State of Texas has to offer.

Three and half months ago, the 94 member teams of the THSLL started their seasons with the goal of competing to the best of their abilities and perhaps advancing to post season play. The teams represented this weekend have overcome district play, district playoffs and the Super Regional playoffs last weekend to advance to this final test of their lacrosse skills. The players and coaches of these teams should be very proud of this outstanding achievement.

This year saw the THSLL expand into areas of the state that Lacrosse has not had a foothold. West Texas (El Paso, Midland) have added teams to the THSLL this year and there are teams with action plans to join the league next season (Amarillo, Odessa, San Angelo).

The THSLL has adopted an 80 second shot clock this year also.

This weekend is about celebrating the teams who have advanced to championship weekend and enjoying the competition to see who will become the 2022 THSLL Class AA, A, B, C and D Champions. Thank you again to the Dripping Springs program for hosting this event and thank you for attending this great weekend of lacrosse.

Mike Ormsby

THSLL Commissioner

On behalf of the Drip Lacrosse program, I'd like to congratulate you on your seasons and welcome you here to Dripping Springs, the Gateway to the Hill Country. We welcome 16 teams to town this weekend with over 500 players, 185 combined wins and close to 3000 goals on the season. These wins, goals and teams represents countless hours of hard work and in many cases, years of preparation. For that, we congratulate you on your achievement to reach this point.

It's a long, grinding season and these teams still standing deserve our recognition. I hope that each of us as spectators will honor the determination, intensity and grit these players bring to the field as they play for their teammates, their schools and their communities. For that we cheer on all of these players and the role they play on their team.

In addition to the players, coaches and officials that work hard to refine their craft, we recognize the efforts of the numerous volunteers across the state that work hard to bring this all together. I especially want to recognize the Dripping Springs volunteers for their help hosting this THSLL State Playoff.

We invite you to sit back, relax and enjoy the best of Texas lacrosse.

Ryan Wright
President, Drip Lacrosse

The logo features the word "Drip" in a large, stylized, cursive font with a thick white outline and a grey fill. Below it, the word "LACROSSE" is written in a bold, white, sans-serif, all-caps font. The entire logo is set against a solid black background.

Drip
LACROSSE

**Welcome to the THSLL State Championships
Dripping Springs Middle School and Dripping Springs High School**

We are honored to welcome you to DSISD and excited to open our facilities to all the exceptional teams competing to be crowned State Champion! This will be an incredible weekend to compete and a culmination of the hard work these teams have put in this season.

Sports reveal the true character of an individual. How they react to a new environment, outside of their comfort zone. The challenges of Sports enable them to grow strong. People who avoid these challenges stay where they are at. They fall behind. Your development leads your team to positions where you begin to rely on each other. Leadership is part of being challenged through experiences that enable us to share how to react with the others on our team. You are the sum of our collective experiences.

Challenges in life will always confront us. The experiences we share will enable us to build strength. Man to man, throughout our team. The memories that we have are what last. The people we influence are what is important. We play for those that came before us and we set the standard for those that will follow.

Galen Zimmerman
Athletic Director, Dripping Springs ISD

Welcome to Dripping Springs! On behalf of Dripping Springs Independent School District, I am excited to welcome you to our amazing community. We are proud to partner with the Dripping Springs Lacrosse Organization to host the Texas High School Lacrosse League Playoffs this weekend.

The vision of DSISD is to inspire students to become positive contributors to the world. I hope this event brings great competition centered on the life-long lessons of sportsmanship, teamwork, and perseverance that these young athletes have learned through lacrosse that will help them go on to make the world a better place.

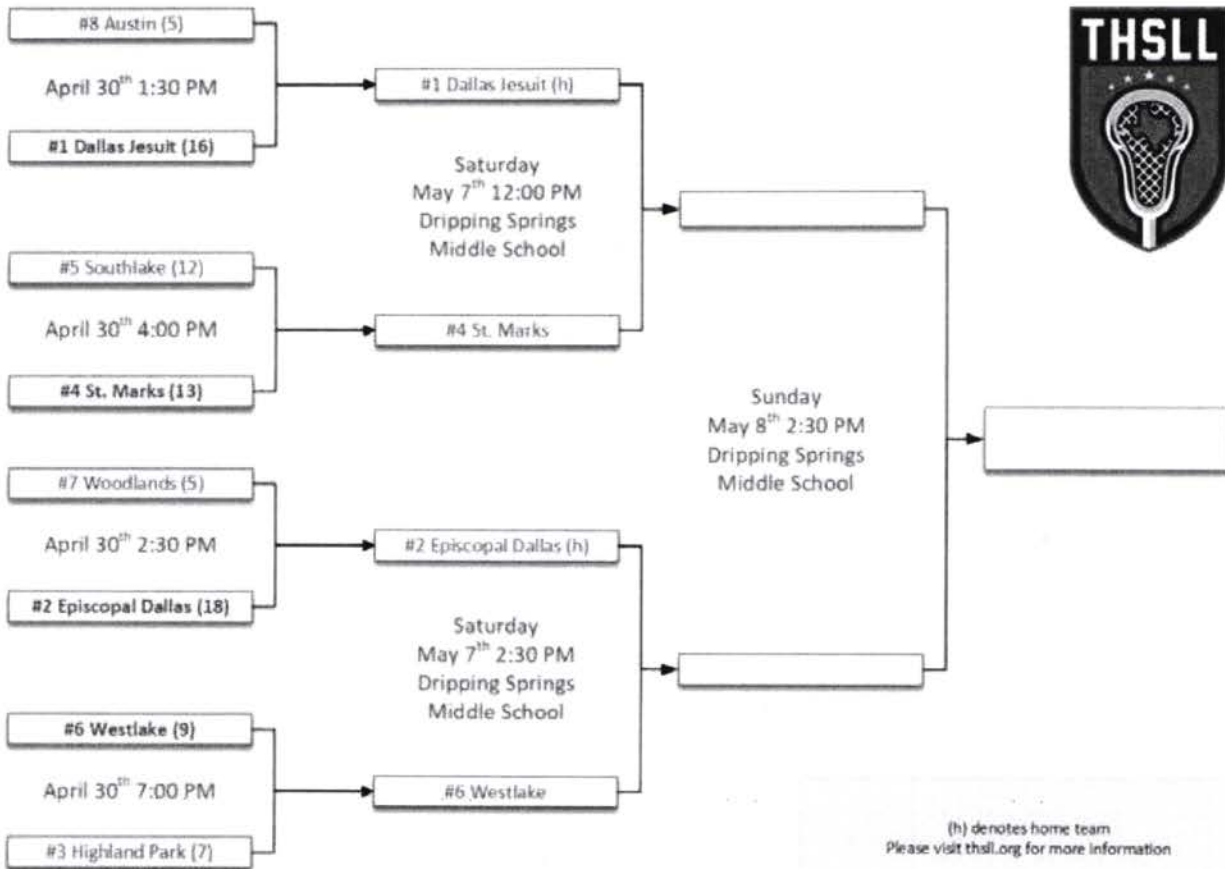

Athletics brings so much to a vibrant school community and I know these student-athletes will represent themselves, their teams, families, and communities well. Best of luck to the players, coaches, and families.

May you have a great weekend of safe and exciting competition!

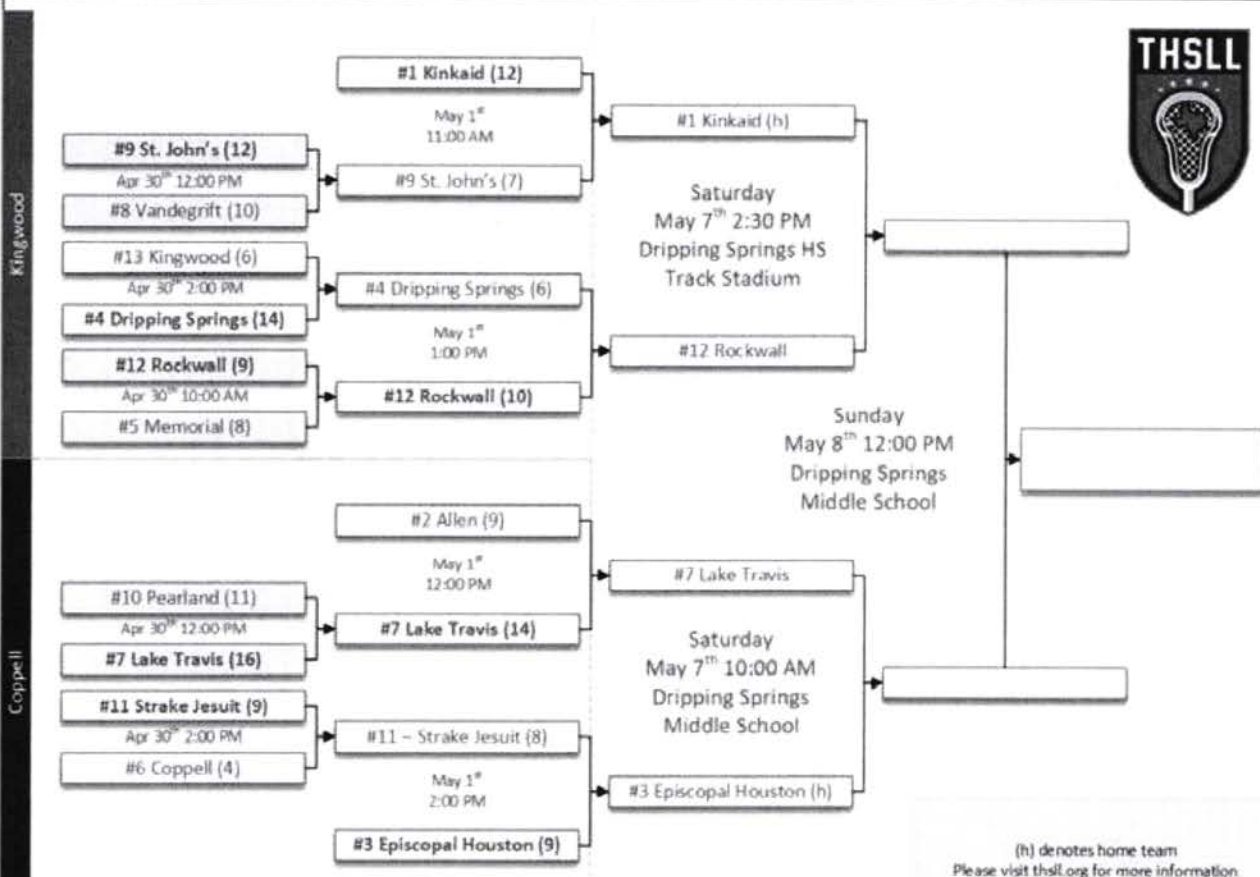

Dr. Holly Morris-Kuentz
Superintendent
Dripping Springs ISD
